

What is SIREM?

SIREM stands for the Society of Investor Relations Executives in Mining. The member-funded society brings like-minded executives in mining together for social events, to share industry knowledge and discuss new and existing marketing events and offerings from industry suppliers

Our mission

To provide information and resources to each other through its collective members experiences with:

- Service providers
- Institutional & retail investors
- Conferences
- Industry Insight and benchmarking
- Advertising and Media
- New trends
- IR programs

Membership benefits

- Mining sector focused membership
- Invitation to special SIREM events
- Invitation to SIREM supplier workshops and seminars
- Industry survey results
- Exposure to different programs and marketing ideas through other members' experience
- Participation in supplier discounts for mining related events
- Eligibility for SIREM awards
- Opportunity to participate on SIREM committees
